

GJFL in association with THE SHEFFIELD & HALLAMSHIRE COACHES ASSOCIATION

The **Sheffield & Hallamshire Coaches Association** is one of the longest established & most respected coaches associations in the UK today as it approaches its 50th year. The Association attracts some of the UK's foremost coaches from both professional clubs and the FA alike to deliver practical hands on coaching demonstrations for the benefit of its members and guests.

Details below of the new seasons first coach seminar.

Hi everyone and welcome to the new season, I hope it will be enjoyable and successful.

Our first guest coach for season 2011/2012 is "a high ranking F.A. official" and should not be missed. It gives me great pleasure to welcome the F.A.'s National Coach Education Manager, Steve Rutter.

Steve will be delivering a session based on "possession" which will include passing and receiving and he will build it up to end with some "finishing practices".

Come along and watch one of England's top National coaches at work. Steve's work will be of great value to Grass Roots coaches.

Date: Thursday 8th September 2011 @ 7:15pm

Where: Sheffield Wednesday Training Ground, Middlewood Road, Sheffield, S6 - 1TF.

Who: Steve Rutter – F.A. National Coach Education Manager
